News from Principal's Desk

Dear Families and Friends of Erving Elementary School,

It is the time of year that seems to energize most of us. The sun shines, we get to run and play outdoors, stretch and challenge our bodies as we move quickly between a plethora of activities both inside and out of school. It is also a time of year when the stress level seems to rise as we begin to grasp that some doors in our life are about to close and others open up. Closure may come with a tinge of sadness or worry as we say farewell to those situations and people with whom we have become accustomed to over the past year. There is also excitement as we put the finishing touches to those projects and tasks that we have been working hard to accomplish. I am so very proud of the work we accomplish at the school. Visitors to Erving Elementary School speak highly of the accomplishments of our students and staff. If you had the opportunity to join grade 5 at last weeks Science Fair you will have witnessed ingenuity in abundance. The same can be said of the work carried out in a number of classrooms as students presented their end of year projects. Visiting graduates from Turners Falls High School were awestruck at the welcome, receiving congratulatory handshakes and high fives from students, while strolling through the hallways viewing incredible pieces of artwork that were on display for all to enjoy. The coming weeks will bring about plenty of time for our students to relax and enjoy field trips to Deerfield, Boston, New York, and Amherst. Parents and grandparents will be able to visit the school to enjoy the Spring Concert, Preschool coffee hour, Grade 4 States Fair, Grade 6 Graduation, All School Sing and Assembly and celebrate Fathers Day. Please take a moment to stop by the school to congratulate the students and staff as they prepare to bring closure to this wonderful school year.

A little extra note of congratulations: Rinky Black and Pam Ososky are being recognized on Saturday at the local Langstroth Bee Festival. Former Governor Deval Patrick will be on hand to congratulate Rinky and Pam, as our Butterfly Garden is being recognized for its beauty and an indicator of a healthy environment and healthy ecosystem. Our garden provides a wide range of

environmental benefits, including pollination and natural pest control.

Have a lovely weekend.

Sincerely,

Jim Trill

News from After School

The end of the year is quickly approaching, and we're busy at After School trying to get the last couple of weeks of fun in!

Mark Your Calendars! The last day of After School is going to be on Friday, June 16th.

Here's what's going on between now and then:

Monday, 6/5: Show and Tell - bring your favorite childhood/baby item

Friday, 6/9: Make your own slime

Monday, 6/12: Sundae fun day

Wednesday, 6/14: Pizza party

Friday, 6/16: Last day of After School

Have a wonderful summer!!!

Garbage is My Bag

This Sunday, June 4 at 2 pm, located at the Shea Theater, Turners Falls, MA.

Kids get in FREE with adult admission (sponsored by the Franklin County Solid Waste District).

See GARBAGE IS MY BAG, a live children's show by Jack Golden. Meet America's favorite trashologist "Dr. T" in a rare local appearance. With a Ph.D. in Garbology, a zany and irresistible personality and a marvelous Trash-to-Treasure recycling machine, Jack Golden, as Dr. T, juggles and jokes his way through a world of waste. Dr. T delights his audiences while sharing his knowledge that rubbish is a resource that is just too good to throw away.

Children, accompanied by an adult, get in FREE thanks to Franklin County Solid Waste District. (Adult tickets \$10 each.)
