Important Information

The Town of Erving has begun milling Northfield Road. Please prepare and expect delays. Keep in mind this could possibly impact bus pick-up and drop-off times.

Reminder from the Cafeteria

Cafeteria bills have been sent home. Please check your child's backpack and submit payment by June 2nd.

Please note that milk is \$.40 when purchased with a home lunch. If your child is eating school lunch, the milk is included with the meal.

Kindergarten Registration

If you know of an Erving resident that has a child who will be 5 years old by September 1, 2017, they are eligible to attend kindergarten at EES. If the child is not currently enrolled in the EES preschool, please have the family stop by the school and pick up a registration packet.

All current preschool children who will be moving on to kindergarten need only give the school an updated health and immunization form to be registered.

If your child will not be attending EES in the fall, please call the school at (413) 423-3326 so we can take them off our enrollment list.

Students Not Returning to EES

If your child is not returning to EES for the 2017-2018 school year. Please notify the office no later than Monday, June 12, as we will need to make arrangements for the transfer of student records. If you have any questions, please call the office at:
413 423-3326.

From the Principal's Desk

Dear Families and Friends of Erving Elementary School,

Although the weather forecast for the next 10 days seems to be on the wet side, our hope is that the sun will be shining down on us during the final 2 weeks of school. The arrival of warmer weather can from time to time make it extremely difficult for all of us to attend to our work, especially if we are dressed in clothing that feels uncomfortable and restrictive. As far as our school environment goes, I would like to thank you for your understanding of our dress code, which ask students to dress appropriately, while at the same time allow for a certain level of comfort. For the most part, our students appear to have their clothing spot-on. Footwear is an area that still causes a safety concern. During recess, the majority of our students choose to move around quickly, play sports, run, and climb the structure. A few students choose to sit on the grass in the shade, play in the sand pit, or just wander the fields chatting. We have discussed appropriate footwear for recess, and will guide our students according to their choice of activity. Flip-flops are appropriate for more leisurely activities, while sneakers, and strappy sandals are geared to keep students safe while moving quickly.

While on the topic of safety, I would like to recognize people within our community whose job it is to keep us safe. These 'community helpers' take care of each and every one of us, and we should take the time to thank them.

We have a wonderful school nurse, Gail Dubreuil. Gail attends to our daily bumps, scrapes, sore heads, and a myriad of medical complaints, some of which come from our staff ☺. She is always there to comfort us, and offer a bed to rest on (not our staff ☺!). Gail gets to deal with those awkward moments that tend to make some of us squeamish. At the end of the day I am sure her role of comfort giver does not stop at school. Thank you Gail for sharing your wealth of medical expertise, and for taking care of all of us.

I am sharing an extract from a speech by former President Obama's.

"Our Nation's police officers are mentors in our schools, familiar faces on the corner, and pillars of our communities. They keep our borders secure and our roads safe, and in times of crisis, they rush toward tragedy. They are hardworking mothers, fathers, daughters, and sons who have dedicated their lives to public service, working every day to build a brighter future for their families and their Nation. Their selfless commitment and daily sacrifice represent what is possible for every city, town, and reservation in America, and our country has an enormous opportunity to lift up the very best law enforcement personnel as examples -- not just to other officers, but to all who aspire to lives of good citizenship."

On behalf of our students and staff, I would like to express our sincere appreciation to Chief Christopher Blair and all officers in the Erving Police Force. You are powerful role models for our students who aspire to be community helpers every day. We recognize these students during our All-School-Sing. A recent recipient of our community service award was Audrianna (Gr. 4).

Please be safe as you venture outside. It is amazing how the sun sees us, and how the UV rays can damage our sensitive skin. Put plenty of sunscreen on.

Sincerely,

Jim Trill
