### ***Interested in learning about how to keep your children safe?***

- From situations where they may become targeted.
- From situations where they are exposed to inappropriate media, or information.
- From situations where they may be vulnerable to sexual abuse.

Join Pam Ososky, our School Psychologist and Brenda Mozdzierz from the Greenfield DCF at the Erving Elementary School on **Tuesday, February 27<sup>th</sup> at 6pm**, in a discussion about personal safety, and learn about the curriculum the school uses to teach children how to protect themselves. Coffee and light snacks will be provided.

### ***Dear Families and Friends of Erving Elementary School,***

This week's tragic incident at a high school in Florida has many of us wondering about our own children's safety while at school. In light of the public nature of our newsletter I am only able to provide you with a brief overview of the measures we have in place, and as always I am available to discuss this in more depth during a private meeting at the school.

Erving Elementary School is fortunate to have a community that set aside a budget to cover many of the safety procedures we have in place. We installed a number of cameras inside and outside the building. These high definition cameras provide us with a complete coverage of the exterior doors, roadways, and playground area, in addition to all of the hallways throughout the school. The entrance doors are locked, with public access permitted only through an electronic buzzer system. Our administrative team knows over 90% of our visitors, with the remainder being guests or members of the public who have a confirmed appointment. It is very rarely that we have somebody come to the door that is unknown. We take the time to check their identity prior to buzzing them in. We ask for your patience while this happens. I would rather have you wait 30 seconds, than expect an immediate response to a buzzer they keep pressing! The school is alarmed and protected by a local security company 24/7. We work closely with the local/state police and fire departments, training staff and students on entryways, lockdowns and fire drills.

We ask for your help in keeping our school secure:

- Please do not let somebody into the building unless you are sure of their identity. It would be better to find a member of staff and let them take on the responsibility of checking identities first.
- Upon entry, please wait at the front desk. Do not walk through the school unless accompanied, or have a visitors pass.
- We check the identification of those people we may not know. Preschool pick up always checks in with the office prior to releasing students to new faces.
- Guests and students arriving for afterschool basketball/sports activities need to check in at the office first.
- Please provide the office with a note should you be dismissing your child early.

Thank you for your support and feedback on all matters involving the safety of our children.

Have a lovely vacation week.

Sincerely,

Jim Trill  
Principal

## Jeff Mack comes to Erving Elementary Many thanks to the Erving Cultural Council and the EES PTO!

On Tuesday, Feb. 13, all EES students had a great time with author-illustrator Jeff Mack, the creator of over 30 books. He told us all about the ins and outs of illustrating, writing and trying to convince publishers to pay for his work--and we are glad he kept at it! In fact, his most important message to all of us was to keep trying, work hard, and don't give up--you never know where it will lead!

Even before his visit, students were getting ready by reading and sharing their favorite Jeff Mack books. 3<sup>rd</sup> graders read to 1<sup>st</sup> graders who then read to preschoolers. Some 2<sup>nd</sup> graders even gave up a recess time to practice reading his books. And many students have been reading the *Clueless McGee* series. Most of Jeff Mack's books are available in our school library and also through the public library system. They are definitely worth *checking out*!

# THANK YOU MOTOKO

FEBRUARY 15, 2018

On Thursday we had a wonderful assembly with Motoko and our students. Each grade had lovely stories that they shared. Motoko Dworkin, an Japanese storyteller has been working with the students at Erving Elementary for the past month teaching them Japanese words, history, culture and folk knowledge, and teaching them important life lessons that transcend cultural barriers. We are thankful to the Mass Cultural Council and the grant that allowed her come and work with our students. We hope that you enjoy these photos as much as we enjoyed watching our students.

## WORLD READ ALOUD DAY 2018

Read aloud.  
Change the World!

Every year, on World Read Aloud Day, people from all around the world share stories and read aloud together to promote literacy as a basic human right that belongs to everyone.

Outside of Lori Hale's classroom you will find a poster that serves as a reminder of the importance of reading with our children. The poster quotes children's book author Emilie Buchwald, which states: "Children are made readers on the laps of their parents."

Our nation has known the benefits of reading aloud to our **children of all ages** for decades. According to the landmark 1985 report, *Becoming a Nation of Readers*:

"Reading aloud is the single most important activity for building the knowledge required for eventual success in reading."

Jennifer Haggerty, Superintendent of Schools and Prudence Marsh, Director of Student Support Services visited Erving Elementary School to share favorite books with students on February 1, 2018 this year's World Read Aloud Day.

Jennifer Haggerty reading aloud Julius the Baby of the World with Erving Elementary School's third grade class.

Prudence Marsh reading aloud You're Here for a Reason with Erving Elementary School's first and third grade classes.

## Third Grade 100-Day Work Sheet

On the 100<sup>th</sup> day of school, the third grade students were given a homework assignment to finish the following sentence starters. Their answers were thoughtful, funny, endearing, and even a bit outrageous. We hope you enjoy reading them. ☺

### **I wish I had 100...**

dollars, friends, 1,000 dollar bills, puppies, dogs, cats, chapter books, phones, toys.

### **I wouldn't want 100...**

chairs, homework sheets, cats, pigs, snakes, eyes, things to do, diapers, dogs.

### **I can make 100...**

books, pictures, Valentine's Day cards, drawings, pancakes, hearts, 10s, bills, slime.

### **I can eat 100...**

dinners, ice cream cones, cakes, pizza slices, cookies, pops, Starburst candies, eclairs, pieces of rice.

### **I could never eat 100...**

### **Having 100 \_\_\_\_\_ could really be a problem.**

### **In 100 years I hope that I can...**

play video games, still do musicals, be famous, have 100 grandchildren, visit my great-great-great grandmother, still be alive, be better at soccer, draw and cook really well, see Mom more often, be better at drawing, still trust in God and help people.

### **I can lift 100...**

half-ounces, peanut butter cups, pounds, cards, cookies, ants, pieces of paper, people, books.

### **If I were 100 years old...**

I would be dead.  
I would sleep.  
I would be proud of me for staying alive for 100 years!  
I would be famous.  
I would celebrate God every day.  
I would go to my mom's and spend time with her.

- This club is open to any (and only) Erving Elementary School student in kindergarten through 6th grade
- **Between now and Monday, February 26, 2018**, students need to read six hours (360 minutes) beyond assigned homework--in other words, reading for fun! This works out to approximately one extra hour of reading a week for the next 6 weeks, or fifteen minutes a day.
- Students can read to themselves or out loud to someone else OR students can listen to someone read aloud to them or listen to a book-on-CD or e-book or any other type of online book.
- Students and their parents or guardians **MUST** keep track of the minutes spent reading, and what was read. Students can read books, magazines, newspapers or comic/graphic books--all of those count. But watching "the movie" does not count!
- The tickets will be handed out in June, and are only valid at the Six Flags New England Park in Springfield, MA. We will find out the summer dates in May and let families know ASAP.
