Don't forget the sunscreen!

Now that the nicer weather seems to be here to stay and the sun is shining more days

than not, it's important to make sure kids are prepared to play outside for PE and recess. It is highly recommended that parents generously apply sunscreen to their children BEFORE school. Sunscreen cannot be applied at school without parent written permission and sending in their own supply. It is not reasonable to think that teachers will be able to adequately apply sunscreen to 15-20 kids before going outside and still have time to do other important classroom things. Please consider applying sunscreen to your child as part of their before-school, morning routine.

News from the Principal

Dear Families and Friends of Erving Elementary School,

On behalf of our staff I would like to extend a special thank you to the many parents who took the time to recognize every member of the Erving Elementary School Team, and the work that we are doing with our children. This

past week we have received individual thank you 'Stars', lots of delicious chocolate treats, breakfast, lunch, and individual bags of flavored gummy bears. This has been a wonderful week of celebration.

I have included a letter to grade 4, 5, and 6 parents and guardians in connection with the perils of the Internet. Whilst my letter is addressed to our older grades, please be aware that some of our younger students are also at risk whenever they are left alone to explore the Internet. On June 15th I will be joining members of the Internet Safety Task Force who will be presenting information to students in grades 4, 5, and 6. During our meeting with students I will outline the consequences they face should their cyber world actions interrupt and/or impact the education of students at Erving Elementary School. Please take some time to monitor your child's online account(s) and block sites that are clearly influencing our younger students in a negative manner. Thank you for reinforcing this message.

Effective June 1, our school cafeteria will be following USDA guidelines for all 3 year-old children. The USDA has established certain food items that cannot be served to 3 year-old children. We have passed this information along to all of the parents whose child is impacted by this new set of guidelines. Effective September 1, 2018, Erving Elementary School will provide a separate menu for preschool students. This menu will take into account these new guidelines. We are happy to set up a meeting when parents can come along and contribute their ideas for this new menu. Please contact me should you wish to be involved in the planning of the menu.

Have a great weekend.

June 1, 2018

Dear Parents and Guardians of grade 4, 5 and 6 students,

This is a critical time for our older students due to the recent surge in online social media platforms being targeted to younger students. Online safety is an important component of overall student safety, especially now during the summer months when children spend more time using computers, laptops, tablets, and smart phones to go on the Internet. The Internet as a medium promotes communication and socialization, but often without restraint. Children don't realize that there are real-life consequences for poor online choices. It doesn't occur to them that what they post online can be copied, saved, and forwarded to others and remain long after the original has been deleted. They feel anonymous when they create screen names and online personas that can be totally different than who they are in real life. They can fall in with a bad crowd, communicate the wrong things, get to know the wrong people, and endanger themselves and those around them.

With this in mind, it is a good opportunity to open the door to a greater conversation we should be having with our children about social media and their "digital footprint." I am taking the opportunity to meet with our students on June 15th to talk about our duty of care and how we want to ensure we provide all students with a positive, safe, and nurturing environment, in which they can learn, develop and socialize. It is important for every student to have access to technology, free from potential targeting.

On behalf of our students and staff, I am enlisting your support and co-operation. We encourage you to talk with your son or daughter about the potential danger of the Internet. Ask if they have a social media account. You may want to review his or her profile to ensure that no personal and identifiable information has been posted. We also encourage you to establish rules and guidelines to ensure the safety of your child while on the Internet. Some Web sites offer parental or family guidance for Internet safety; for example, SafeKids.com, located online at <http://www.safekids.com>. I have included a couple of other links that you may find of use.

Thank you for your continued support.

Sincerely,

James Trill

After School Program

Good Afternoon from After School,

What a beautiful week we had weather wise. Please be sure you are sending your students in with a water bottle and sunscreen. We typically stay outside for about an hour during afterschool working on projects or playing. Also, you need to ensure you are sending your students with a snack. This week we did chalk outlines of ourselves and created what we wanted to be when we grew up. The students were teachers, police officers and someone was even a surfer. Wednesday we joined the walking club to get some of the students up to their milestone numbers, 25, 50, 75 or 100 miles. The students also made peanut butter cookies during cooking class. Thursday was Lego robotics and Friday was free day. Next week the students can look forward to a game of fishy fishy, art in the forest, movie and popcorn and lastly Robotics class. I hope you all have a great weekend and we will see you back at school on Monday.

The Preschoolers have put two rain barrels out in the forest to collect rainwater for our Forest Friday projects! A special thanks to Jill Betters for volunteering in our classroom this year and receiving a Volunteerism Always Pays grant from Walmart that helped us purchase the rain barrels. We purchased the rain

barrels locally from Jeff Budine at the Greenfield Farmer's Exchange.

We enjoyed having Captain Ryan Betters and Firefighter Brandon Breault from the Erving Fire Department visit the class and show them how to do "Stop, Drop, and Roll".

Thanks to Jill Betters for coming in last Friday to do a tie dye project with the preschoolers. A special thanks to helpers Dulcie and Jeff McAndrews, and Betty Hackett for helping Jill.

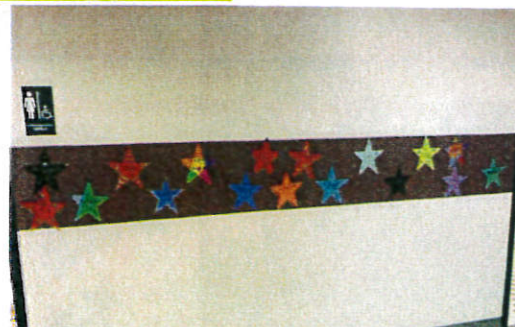

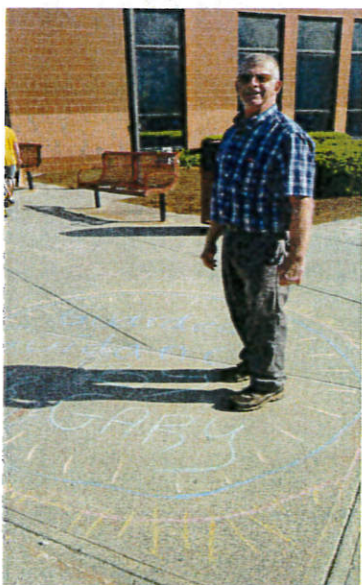

Ella, Charlotte, Karsyn and Helen enjoy the tire swing on a beautiful spring day!

Teacher Appreciation Week Thank You!

Thank you to the PTO and all of the students for making all of the staff here at Erving Elementary School feel special. The staff enjoyed a wonderful chocolate assortment, beautiful breakfast, pizza celebration and Gummy Bear Extravaganza. The sidewalk into the school was painted beautifully with great messages to welcome staff into school. What an amazing way to start the morning. Staff members were also spoiled with stars in the hallway; each staff member had their own star with a special note. Special thank you to the PR K, K and 1st grade parents for the breakfast donation.

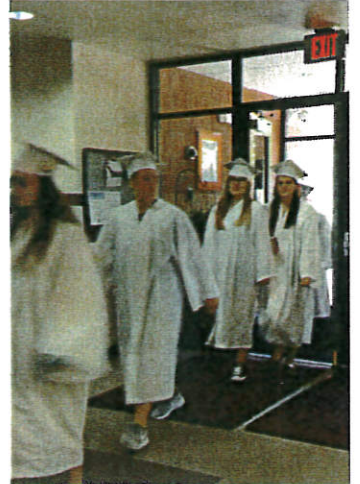

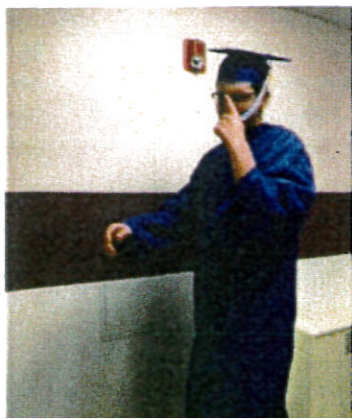

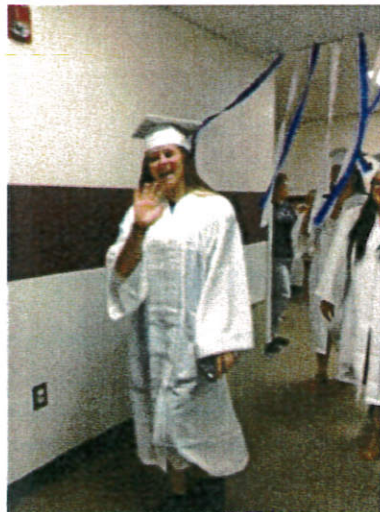

Thursday morning we had the pleasure of congratulating the seniors of the Turners falls High School and Franklin County Tec. The students walked through the halls of EES and were applauded by Staff and Students. The students welcomed the graduates with banners, and decorated the hallways of the school. Congratulations to the all the graduating seniors of 2018.

The School year is winding down and library books need to be back soon....

All library books are due back Friday, June 15, so letters will be going home about long-overdue books, with a picture of the book in question. I like to work with families to get the books back, so please feel free to contact me if you have any questions. Thanks for all your support throughout the year--overall, students have done a great job being responsible, and I hope everyone continues to read all summer long!
