News from the Principal's Desk:

Dear Families and Friends of Erving Elementary School,

Welcome back to the start of another exciting school year. It is lovely to have all of the students back with us. An abundance of smiling faces, non-stop chatter, and the click of cameras taking those important first-day pictures; all wonderful first impressions! Thank you parents, grandparents, and guardians for taking the time to stop by and visit with staff and students over the course of these first few days. There were many comments about how beautiful our school grounds and building looked. A testament to the hard work put in over the summer by Gary Porlier, Thomas Duffy, Carlo LaBianca and Brandon (a Junior from Turners Falls High School helping us out over the summer). One area of the school clearly stands out, The Butterfly Garden! A special thank you to Rinky Black and Pam Ososky for their continued dedication to providing our whole community with a beautiful, relaxing garden, filled with lots and lots of color, aromas, and butterflies.

Thank you, Chief Chris Blair for taking time out of your busy schedule, to help open school, greet students, parents and bus drivers. We look forward to your continued presence as we create a safe, welcoming, and engaging environment for all of our children.

The PTO is providing an incredible offer on Mums! The plants are only \$8.00 each, and are enormous. A flyer is attached to this newsletter. Please take the time to support the PTO as a classroom parent/guardian. A letter will go home detailing how you can be involved in supporting your child's class. There are opportunities to help in the classroom, library, recess, and cafeteria. We send home important information about events each week in our newsletter. From time to time we must send home important information with students outside the newsletter, so it is a good idea to check backpacks daily. Other places for news and information include the school website (www.erving.com), the bulletin boards, and flyer rack near the office. From time to time we may also make automated or personal phone calls to parents so it is important we have your current phone numbers listed.

We are pleased to introduce some new faces at Erving Elementary School. Chris Williams

(PE Teacher), Michelle Fisher (Office and Cafeteria Assistant), and Ann Kruzlic responded to our call for a long-term substitute paraprofessional. Please stop by the school to pass along your best wishes to each of them.

Please know that my door is always open to you for discussion, questions and suggestions. I look forward to working together for our students.

All in all, a fabulous three days! Please have a safe and exciting Labor weekend, and we will see you all next Tuesday September 5.

Sincerely,

Jim Trill
